

Something new in the neighborhood!

Tiger Sanitation and Dove Meadows HOA are negotiating a new Exclusive Vendor contract for trash recycle services. The new contract will include 2 annual curbside bulky item pick up for all Tiger Customers. The level of service will be 2 x weekly for trash and 1 x weekly for recycle, with additional 3, 30 gallon bags of trash or bundled brush pick up weekly.

The contract is for 5 year $\$22.50 \times 8.25\% = \1.85 tax total monthly $\$24.35 \times 3$ months = $\$73.05$ quarterly. No more fuel surcharges.

Everyone will be on the new rate at the start of the contract, so no more rate fluctuations in the community.

Please provide your board members with feedback in reference to the terms and question.

This will save the HOA money on future road repairs.

We will also be providing a new email address for contact with our Service Reps, dovemeadows@tiger-tx.com
